Fundermax

No matter if it is wall lining, interior design, furniture, or a facade, you will find Fundermax where ideas and materials meet. As a global market leader in the field of compact panels and laminates, the company is proud to look back on a history spanning 130 years. The continued success is based on the highest quality, innovative and varied design, and sustainable production. Made in Austria—with great love for wood as a natural material, creations, and imagination.

- modern production facilities in Austria and Norway
- around 1,500 employees
- part of Constantia Industries AG
- The Austrian Excellence Award (2018)

scratch resistant | quick installation | easy to clean | heat resistant | impact-resistant | solvent resistant | food grade
