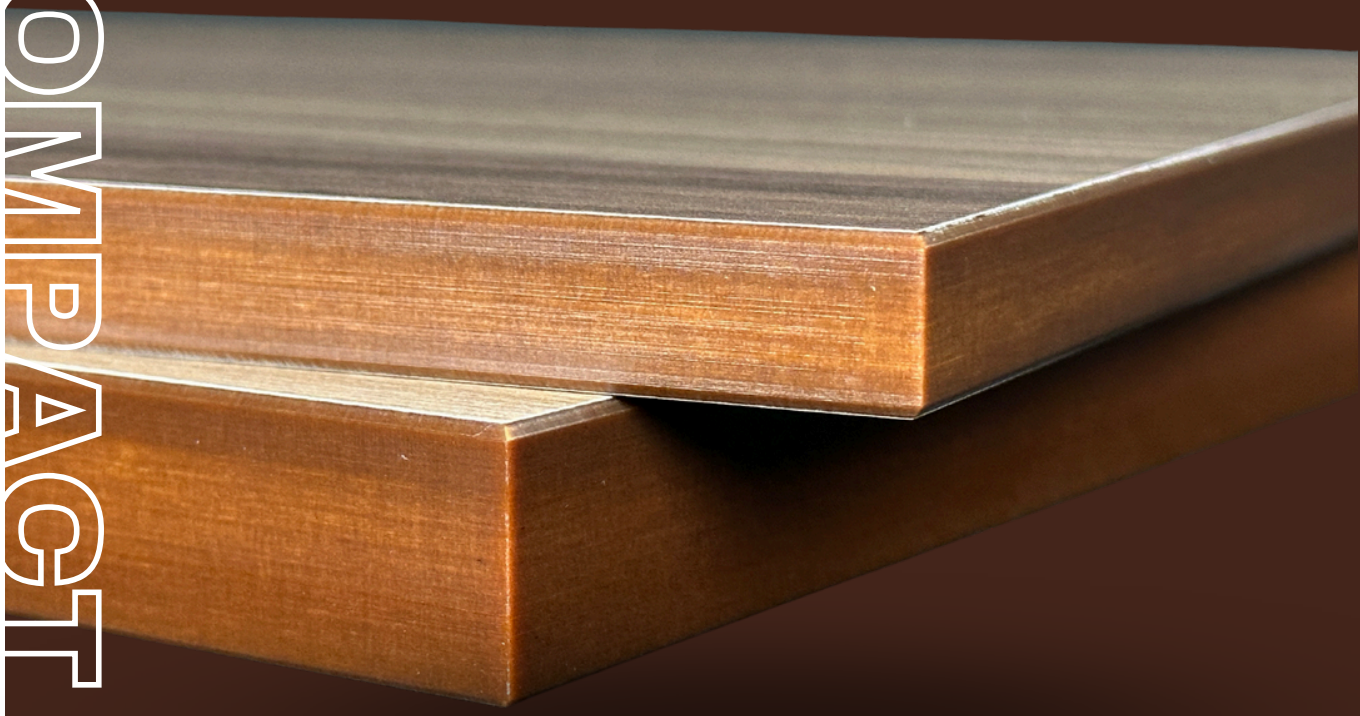
Fundermax

Introducing Brown Core Panels

Fundermax's Max Compact Interior Brown Core panels are made with an FSC-certified natural Kraft paper core. Because this is a natural, undisturbed material, color and grain will vary from panel to panel and batch to batch, adding to the raw, organic character of the product.

These durable panels pair beautifully with our 80+ woodgrain decors.



PRODUCT SPECIFICATIONS

SIZE & THICKNESS

OF: 144-1/2 x 64-3/16 inches (3670 x 1630 mm)
