Fundermax

NOW AVAILABLE

SMOOTH-ON PC-3

The two-part epoxy for installation of Fundermax lab work surfaces.

Color-matched PC-3 from Smooth-On is available now and ready to ship from our North American headquarters in four of our popular grey colors (including all three color-through cores)!

Charcoal 0077*

Volcano Grey 2181*

Dark Grey 0075

Pastel Grey 0074*

*Matches our color-through-core options.

The Advantage

- Exact color-match for premium aesthetics
- Installer-preferred material
- Sold by the case, or by the pallet (80-cases) for easy on-site availability

Read more in our Color-Through-Core Brochure

ONE CASE =

6x Part A + 6x Part B cans

Complete the Look

Specify it all together: Fundermax color-through-core work surfaces, Simmons sinks, and color-matched PC-3 for one seamless look from edge to drain.

Worktops + Matching Sinks + Matching Epoxy = One Complete Solution
